CORINA BUCEA will be the Artist Manager-In-Residence October 12 – November 15, 2017

Corina Bucea is a cultural manager, working at Fabrica de Pensule / The Paintbrush Factory – an independent contemporary arts center located in Cluj, Romania. Bucea has been working in Fabrica de Pensule since its opening in 2009 and is responsible for the general management of the umbrella organization that gathers several galleries, as well as organizations and contemporary artists working in the space. Over the last 7 years, she has managed more than 20 projects in various fields – from visual to performing arts, education and training.

Bucea holds a degree in Philosophy (studying in Cluj and Lyon) and has been involved in several NGOs and independent initiatives during recent years. Her cultural management background includes training in the UK (London) and France (Paris and Grenoble) and her experience involves communication and planning in the cultural field, while also being committed to partnership development and education.

Bucea has been awarded the Gabriela Tudor Grant for Cultural Managers in 2010. She has been involved in several international projects, being connected with networks such as IETM, Balkan Express, etc. Besides project management and coordination, Bucea has initiated art mediation and education programs and has been responsible, during the last 3 years, for the communication of Temps d'Images Festival in Cluj. Bucea has also previously worked in projects representing Romania at the Art and Architecture Venice Biennale – as a project coordinator in 2013 for Alexandra Pirici and Manuel Pelmuş – An Immaterial Retrospective of the Venice Biennale and Selfie Automaton in 2016, as well as a custodian coordinator in 2015 for Adrian Ghenie – Darwin's Room.
