KCAC ART AUCTION

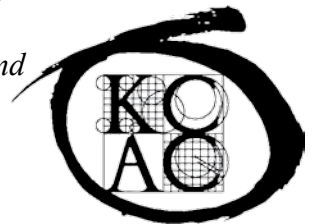

FEBRUARY 18 2017 // CONNECTING ARTISTS WITH THEIR AUDIENCE

SAVE THE DATE!

“ The Kansas City Artists Coalition’s Art Auction is KCAC’s largest fundraising event, and provides the funds that allow the organization to engage local artists and our art-loving community to continue producing exhibitions and programs—including the Residency.

Contemporary artists are important to our community’s artistic heritage. This fundamental belief of the Kansas City Artists Coalition is why we support contemporary visual artists working in all mediums. A corollary of this belief is that aesthetic experiences are important in all of our lives. That is why there are so many different kinds of art and artists and why KCAC shows artists from across the United States and brings artists from around the world to our city.

*Please join us in promoting art in Kansas City,
 pledge your artwork or time today.*
