

The Kansas City Artists Coalition is hosting JG Mair **October 2017**

**JG Mair** is based out of Vancouver, British Columbia, and has exhibited in Canada, the United States of America, and Japan. He received his BFA at the University of Victoria and BEd at the University of British Columbia.

“Consistent themes of my work involve the control and management of information, data and resources. I tend to consider ways in which multi-dimensional forms react to their physical environment and how this interaction manifests within the work’s conceptual framework.”

Artist Residencies and Awards include: Banff Artist in Residency, Banff Centre, Canada; Apropos Artist Proposal Database, Boston Cyberarts, Boston USA; Bay Residency, Morning Bay, Pender Island, Canada

Solo Exhibitions include: *Utopian Dystopia*, Robert Lynds Gallery, Vancouver Canada; *site[d]*, Robert Lynds Gallery, Vancouver Canada; *Stasis*, Banff Centre, Banff, Canada; *Thought Control*, Little Mountain Gallery, Vancouver, Canada; *Pairograms*, Online-exclusive work at jgmair.com; *RELEASE/AFTERSHOCK*, Gallery FUKAI, Vancouver, Canada

**Please stay tuned for upcoming KCAC artist-in-residence events with JG Mair**
