## THE KANSAS CITY ARTISTS COALITION

The Kansas City Artists Coalition is celebrating its 40th Anniversary. A meeting of artists in March 1975, led to KCAC's formation and incorporation in 1976. 1975 is the year of the first

The Kansas City Artists Coalition has significantly contributed to the thriving art community of Kansas City and the surrounding region. The spirit of the Artists Coalition is grassroots, entrepreneurial, and committed to the idea that artist's work is valuable and should be supported.

Although much has changed since the mid-seventies, KCAC's mission to promote visual arts and artists is still needed. KCAC's longevity can be attributed to adherence to the mission and a long history of integrity, openness, and inclusiveness in its programming. KCAC has gained the trust and resources of our constituencies who support the mission and respect the consistent leadership.

The Kansas City Artists Coalition's Exhibition Series explores the diversity of expression that shapes contemporary culture, art, and ideas. KCAC is a space for innovative and experimental art, which does not readily lend itself to commercial venues. KCAC also aggressively supports and embraces local and regional artists' work.

The Kansas City International Residency at the Artists Coalition brings together local artists and artists from around the world in order to build friendships and improve intercultural understanding.

An anniversary is an ideal time to look back in pride and a perfect time to look forward with a reinvigorated commitment to the organization that has done so much for the arts in Kansas City.
